What is busking?

Busking is the act of performing music or entertainment in public places, often for voluntary donations from passersby. It's a fantastic way to showcase your talent and engage with the audience. Give it a try! Students split the tips from the time block they participate in. We have the appropriate licensing and will guide the process. Student split the tips for their time block.

- Sign up [HERE](#) for a date.
- We will open up more dates to meet the level of interest.
- All students and band welcome.
- Message 218-461-6959 for details and to participate.
